PANELS

Panels provide working privacy without prohibiting co-worker interaction, creating individual personalized work spaces. Panels are available in different levels of privacy, including visual access, seated privacy, standing privacy, and full height.

WORK SURFACES

Worksurfaces are available in numerous styles and sizes to suite any environment. Worksurfaces are offered in a variety of colors, protected by thick PVC "Tough Guard" edging.

STORAGE OPTIONS

Various storage options in different configurations are provided to suit individual needs; including filing, storage and personalized wardrobe cabinets.

WIRE MANAGEMENT

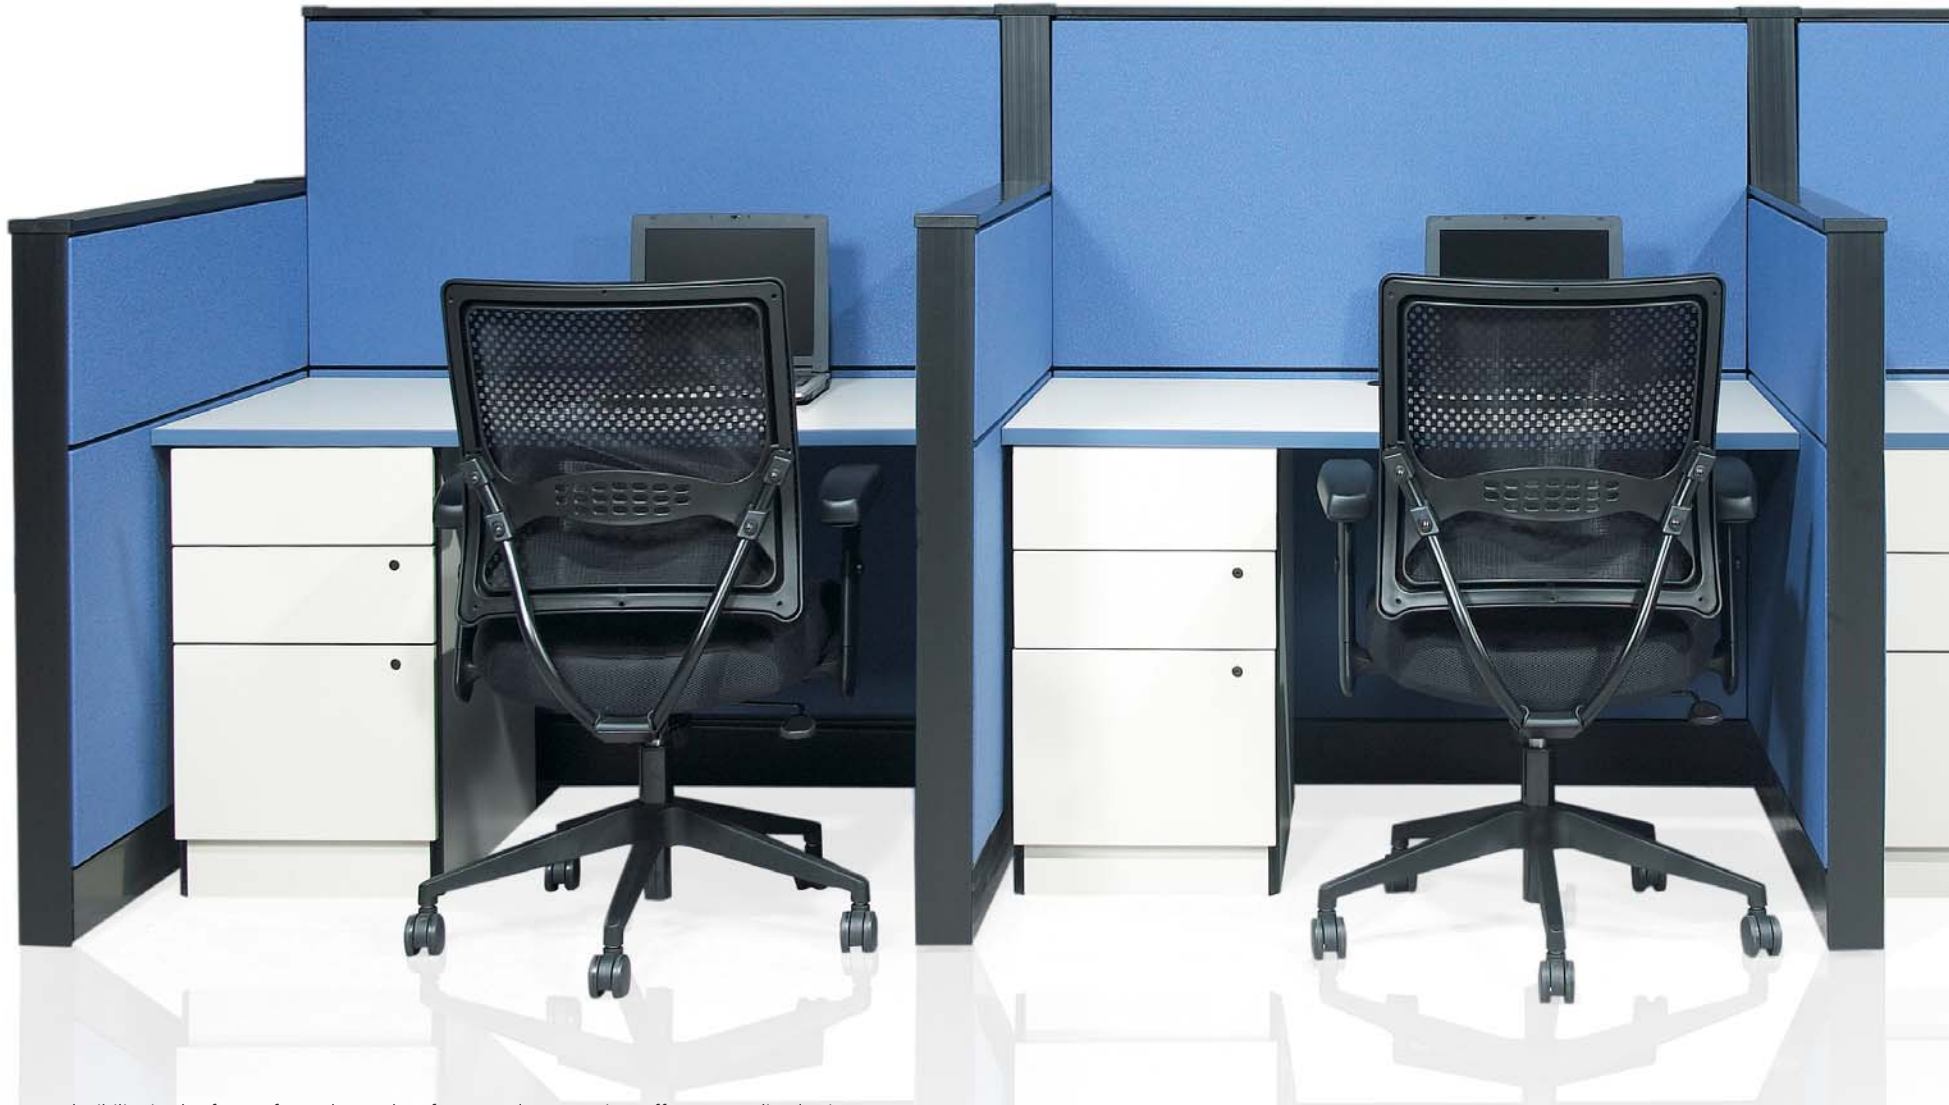

Cables may be installed below or above worksurface, carrying electrical, data, and wire management capabilities through panels.

ACCESSORIES

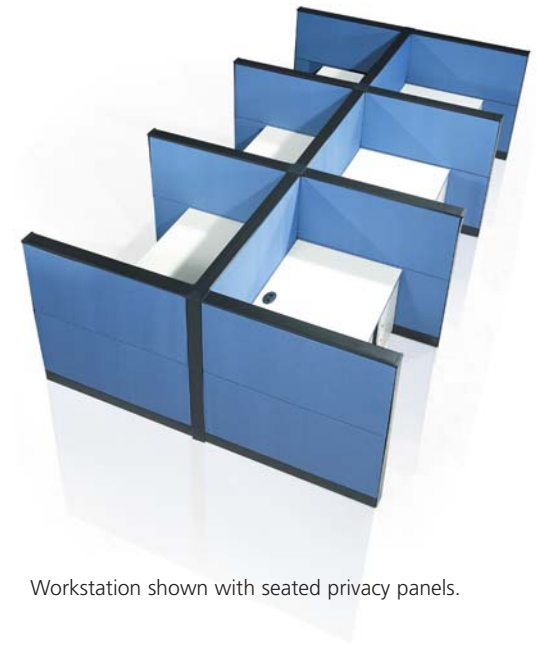

Panel mounted accessories reduce clutter and increase space efficiency.

TELEMARKETING

Flexibility in the form of panels, worksurfaces, and accessories, offers personalized privacy.
